## Would You Like To Become A Member Of The South Australian Aviation Museum?

The Museum is a non profit Incorporated organisation operated by volunteers.

Membership is open to any interested person subject to the approval of its members. It offers a friendly atmosphere where those interested in aviation can offer their services in areas such as restoration, display, administration and research.

There are two categories of membership--Full and Friends of the Museum.

Anyone seeking to become a Full Member will undertake a probationary period of six months before being assessed for Full Membership. Friends of the Museum is a category designed to suit those members who wish to contribute financially to support the Museum's activities but cannot participate directly in its every day operations.

Membership fees are compulsory and are payable at the end of the financial year in June for the following financial year, or pro rata if joining during the year. It is important to note that Full Membership requires every member to attend the Museum on a relatively regular basis, and at least once every three months to work with other members on desk duty. Such duty is not onerous and gives members the opportunity to meet the public.

Members are also encouraged to purchase a shirt with the Museum logo attached to wear when performing desk duty. This clearly identifies members to the general public and enhances the Museum's professionalism.

If you feel you would like to be part of preserving the aviation history of South Australia and agree to the terms of membership, please fill in the following details and return this form to the Museum. You will then be contacted in writing and an interview time arranged.
